

Western Gas Partners, LP Announces Closing Of Common Unit Issuance Under Over-Allotment Option

HOUSTON, June 11, 2008 – Western Gas Partners, LP (NYSE: WES) today announced that it has closed the issuance of common units under the over-allotment option it granted to the underwriters in connection with its recent initial public offering. The underwriters exercised their option and purchased 2,060,875 common units from Western Gas Partners for approximately \$34.0 million. The proceeds from this transaction of approximately \$31.8 million (net of underwriting discounts and structuring fees) will be used to reimburse Anadarko Petroleum Corporation (NYSE: APC) for capital expenditures it incurred with respect to assets it contributed to Western Gas Partners.

As a result of the issuance of common units under the over-allotment option, approximately 38 percent of the limited partner interest in Western Gas Partners is held by the public. Anadarko owns the remaining equity interests in Western Gas Partners, including the general partner interest.

UBS Investment Bank, Citi, Credit Suisse and Morgan Stanley acted as joint book-running managers of the offering. Banc of America Securities LLC, Goldman, Sachs & Co., JPMorgan, Lehman Brothers and Wachovia Securities acted as senior co-managers, and Scotia Capital, Friedman Billings Ramsey and Stifel Nicolaus acted as co-managers for the offering.
